Our patients are the most important aspect of our jobs. We are dedicated to creating a healing and environment through providing superior patient care with a positive attitude. We treat our patients with the kindness that we, ourselves, would want to be given. Our ACLS trained nurses are known for showing the upmost sensitivity and compassion while providing care. We practice the highest moral and professional standards possible and strive to be the primary care provider of Walthall County's residents. Services include: Radiology, lab and blood bank services, cardiac emergency network, diagnostic cardiology, outpatient diet program, same day surgery, diagnostic endoscopy, wound care, outpatient cardiac-pulmonary rehabilitation, swing bed service-skilled nursing care, occupational therapy, speech therapy, physical therapy, and pharmacy. Payment method; Medicare, Medicaid, and Private Insurance.

AGENCY CONTACT INFORMATION

Southwest Mississippi Regional Medical Center
215 Marion Ave. Box 1307
McComb, MS Phone: 601-249-5500
www.smrmc.com

Services Provided

The mission of the Southwest Regional Medical Center is to attain regional leadership in the healthcare field. To provide excellence in healthcare. To improve the standards of the healthcare in southwest Mississippi and adjoining Louisiana in which we operate. To provide superior facilities and needed services to enable physicians to best serve the needs of their patients. To generate measureable benefits for: community, the medical staff, the employee, the hospital and most importantly, the patient. We also want you to be aware that your hospitalization coverage is a contract between you and your insurance company. We will verify benefits and file a claim with your company; however you are ultimately responsible for the payment of your account. We will inform you of admission deposits either before or at the time of admission. Payment of estimated charges in excess of insurance benefits will be required either at the time of admission or discharge. Your Patient Accounts Representative will be happy to answer any nonmedical questions concerning your hospital stay (i.e., questions about finances, credit and insurance, admission or discharge procedures) and make every effort to ensure that your stay at Southwest Mississippi Regional Medical Center is a comfortable one.

Services Provided

Phone: 601-249-1350

The Cardiovascular Institute of Mississippi is the state's premier Heart Hospital. Dedicated to cardiovascular diagnosis, intervention and wellness, this 60,000 square foot state-of-the-art facility is bringing the latest in cardiac care technology, as well as some of the country's finest physicians, home to McComb. Now residents of southwest Mississippi and northern Louisiana have easy, around the clock access to lifesaving cardiovascular care such as cardiac catheterization, angioplasty and open heart surgery. Not to mention the convenience of full service interventional cardiology care and comprehensive cardiopulmonary wellness and fitness programs.

For our experienced team of clinicians, administrators and support staff, the mission is clear: to make accessing top quality cardiac care a priority for the previously underserved population in and around McComb, and ultimately improve the cardiovascular health of the area as a whole. We will achieve

these goals by providing each and every patient with the highest level of heart, lung and vascular care in a warm, friendly environment that's close to home.

Phone: 601-249-5510

The Mississippi Cancer Institute is a premier cancer treatment center. With the very latest equipment, ultra-modern facilities and the finest cancer treatment specialists anywhere, we offer a level of expertise you'll only find at the country's leading cancer centers and a level of caring and compassion you can only find at home.

Utilizing advanced technology treatment techniques for Radiation Oncology as well as embracing new approaches, The Mississippi Cancer Institute can effectively boost survival rates, while reducing side effects and the chance of recurrence.
