We focus our efforts on prevention, intervention, treatment, and community outreach. Childhelp programs and services help children from any situation and let them experience the life they deserve: one filled with love. The principle theme across all of our programs is to provide children we serve with an environment of compassion and kindness.

The National Child Abuse Hotline offers crisis intervention, information, literature, and referrals to thousands of emergency, social service, and support resources. All calls are anonymous and confidential.

## Every Day Family

Website: <http://www.everydayfamily.com/>

Like any family, we know that our strength lies in sharing our knowledge, in building relationships, and in fostering constant growth and communication. To that end, we've built the site to help our members do just that. Member provided information allows us to customize the site to meet individual needs and interests, with interactive tools, member forums, and articles tailored to a multitude of ages and stages. Just starting to "try"? Our ovulation calendar can help track cycles. Expecting? Weekly newsletters detail physical changes and share tips and advice. Parenting a tricky toddler? Our forums match parents with similar challenges and interests to offer a world of advice and support. More involvement leads to more rewards, as a points and badges system recognizes frequent contributors in appreciation for their service to the community.
