

Kindergarten Readiness

September 2021 – Community Helpers

Sunday Creative Arts	Monday Language Arts	Tuesday Science	Wednesday Letter Activity	Thursday Math	Friday Social & Emotional	Saturday Physical Development
<p>Kindergarten readiness calendars are created by Excel By 5, Inc. monthly with thematic activities for families to engage with children ages 3 & 4. All activities are aligned with Mississippi Department of Education Early Learning Standards. For more information about Excel By 5, Inc. go to www.excelby5.com.</p>			<p>1</p> <p>The theme of this month is community helpers. The letter of the month is H – what sound does H make?</p>	<p>2</p> <p>Librarians are community helpers! Sort your books at home like a librarian: title, author, or subject. Or sort by size from big to small!</p>	<p>3</p> <p>Have you ever had a favorite book that fell apart? Set up a book hospital with tape to repair well read books.</p>	<p>4</p> <p>Go to the library and check out books about community helpers! Don't forget to thank your librarian!</p>
<p>5</p> <p>Let's talk about health care providers! Draw a picture of your favorite health care provider.</p>	<p>6</p>  <p>There are all kinds of health care providers. See how many you can think of! Write them together!</p>	<p>7</p> <p>A doctor that is trained just to treat children is called a pediatrician. What do we call a doctor trained to take care of our teeth?</p>	<p>8</p>  <p>Does the letter H have straight lines or curvy? Remember to think about upper and lowercase!</p>	<p>9</p> <p>What are some of the ways that doctors use numbers to help us stay healthy?</p>	<p>10</p> <p>Sometimes I get nervous going to the doctor. But once I'm there I remember how much I like her. How do you feel going to the dr?</p>	<p>11</p> <p>Health care providers help us stay healthy. What can we do to stay healthy every day?</p>
<p>12</p> <p>This week we are talking about utility helpers. What would it be like without electricity? Draw a picture with your eyes closed.</p>	<p>13</p> <p>Do you ever wonder why the lights turn on when you flip a switch? Has it ever not worked? Why didn't it</p> 	<p>14</p> <p>Sometimes a thunderstorm can cause the power to go out. Thankfully, our community helpers, utility workers, are always ready to get our electricity on!</p>	<p>15</p> <p>Go on a letter H hunt in your house. Look at food, labels, books, everything with words!</p> 	<p>16</p> <p>Look around your house to see how many things require electricity. Start counting!</p>	<p>17</p> <p>Next time you see a utility worker, notice all the safety gear they wear to keep safe. What do they wear on their head, eyes, & hands?</p>	<p>18</p> <p>Return your books to the library and check out more!</p> 
<p>19</p> <p>This week we are talking about community helpers all over our community! I wonder how many we will find?</p>	<p>20</p>  <p>Where did you go today? I went to the grocery store! My grocer is a community helper!</p>	<p>21</p> <p>What community helper did you see today? I took my dog to the veterinarian. I sure am lucky to have a doctor for my dog!</p>	<p>22</p> <p>What would your name sound like if it started with the letter H?</p>	<p>23</p>  <p>Did you see a community helper today? Our car tire was flat, we were so lucky that a community helper picked us up in a tow truck!</p>	<p>24</p> <p>I saw a community helper early this morning! Firefighters visited school today!</p>	<p>25</p> <p>Go for a walk today to see what community helpers you see. Don't forget to thank them for being a helper!</p>
<p>26</p> <p>We talked about a lot of community helpers. See if you can create a story about your community including all the helpers!</p>	<p>27</p> <p>What community helpers did we talk about? Which ones do you see the most?</p>	<p>28</p> <p>All this talk about community helpers we forgot to talk about a new season this month! What season started this month?</p>	<p>29</p> <p>Lets look back through the calendar. Find all the words that begin with the letter H – say them out loud together!</p>	<p>30</p> <p>Today is the last month of September. What month starts tomorrow?</p>
