The Harper-Wallin Family Education Center is committed to supporting student achievement at home, at school and in the community. Our goal is to provide students, families, and community members with the resources, services and support needed for academic success in today's world. The Harper-Wallin Family Education Center is designed to help parents, guardians and caregivers provide more support to their children.

Services and Functions available to students, parents, and community include:

- Excel by 5 Community Partner
- Lending Library
- Computer Lab
- Resources and Support for Academic Event Projects (Science Fair, Reading Fair, other academic projects)
- Assistance for Parents in locating Educational Resources
- Early Intervention Services
- Teacher and Parent Training and Development Activities
- Educational Resources and Support for Child Care Centers
- Support for School PTAs
- Encouragement and Support for Parents developing home environments that support learning and student success
